

Air Quality – UK, London, and Reading

**Jenny Bates – national Air Pollution Campaigner,
Friends of the Earth:**

- *Why has the High Court condemned the government?*
- *What are the risks?*
- *Is it all the fault of Diesels?*
- *What should be done?*
- *FoE's national NO2 survey*

Local campaigners will discuss pollution in Reading.

Monday 28th November – 7:45 pm to 9:00 pm
RISC Conference Hall, 35 London Street, RG1 4PS

**Air Quality discussion will
be followed by a brief
formal GREN AGM
sometime after 9:00 pm.**
