

“Reading Climate Hub”

- Links for Reading

“Reading Climate Hub” is being set up by Greater Reading Environmental Network www.gren.org.uk to be a local hub for the Climate Justice Coalition which is continuing the work of the COP26 Coalition.

As at 19th May 2022 supporting organisations are:

- Greater Reading Environmental Network
- Reading Friends of the Earth – www.readingfoe.org.uk

We hope to expand this list shortly as we contact others – please get in touch.

Message us at readingclimatehub@readingfoe.org.uk All incoming mails will be routed to representatives of all supporting organisations.

Join the conversation on GREN Facebook at [Greater Reading Environment Network | Facebook](https://www.facebook.com/greaterreadingenvironmentalnetwork/).
